Professional Summary

Motivated Cloud & DevOps fresher with hands-on training in AWS and Azure. Skilled in Linux administration, containerization, and CI/CD pipelines. Seeking an entry-level Cloud/DevOps Engineer role to contribute to scalable and automated infrastructure solutions.

Technical Skills

Cloud Platforms: AWS (EC2, S3, IAM, VPC, RDS, Lambda, Auto Scaling, CloudWatch)

Azure : VM, VNet, Storage, Azure AD

DevOps Tools: Docker, Kubernetes, Jenkins, Terraform, Git & GitHub

Operating System: Linux (User management, File permissions, Networking, Shell scripting)

Programming languages: Java & Python

Projects

- **Multi-Tier Architecture on AWS** – Designed secure 3-tier architecture using EC2, VPC, Auto Scaling & Load Balancer. Monitored performance using CloudWatch and implemented using Terraform.
- **Access Controlled Privacy Preserving Search on Secret-Shared Outsourced Data** - Built a secure search system for encrypted cloud data using secret sharing techniques to protect sensitive information. Implemented access control to ensure only authorized users can retrieve data, and enabled privacy-preserving keyword search without exposing data or queries. **Technologies:** Cryptography, Cloud Computing, Access Control

Internships

Cloud Institution – Cloud & DevOps Intern 19.01.2026 – Present

- Deployed AWS infrastructure (EC2, S3, IAM, VPC)
- Automated provisioning using Terraform & Ansible
- Built CI/CD pipelines and managed Docker containers

Skill Dzure – Full Stack Java Intern 12.04.2025 – 12.06.2025

- Completed a 2-month internship focused on Full Stack Java development gained hands-on experience in building web applications using front-end and back-end technologies.
- Worked on developing, testing, and integrating application components while strengthening skills in Java, databases, and web development concepts.

Personal Skills

- Good verbal and written communication skills
- Good Problem Solving
- Adaptable to work environment

Education

- **B.Tech in Computer Science Engineering**
Mother Theresa Institute of Engineering and Technology
- **Intermediate (MPC – Mathematics, Physics, Chemistry)**
Mother Theresa Junior College
- **10th Standard (SSC)**
Universal High School
